

Impact Windows, Doors & Phantom Screens® *for the Way South Florida Homes Are Meant to Live*

Enjoy the Breeze. Keep the Bugs Out. Preserve Your View.

Phantom Screens® disappear when not in use, allowing you to enjoy unobstructed views while adding comfort and versatility to your home

**Custom home built by Coral Bay Builders

As a proud Parkland resident and President of Palm Aluminum & Glass, I understand the importance of protecting your home while creating beautiful spaces for your family to enjoy.

For more than 30 years, our family-owned company has helped South Florida homeowners enhance the beauty, safety, and value of their homes with premium impact windows, doors, and custom glass solutions.
